

A summary of the key changes to Your Computer Policy

This document tells you about the changes to your policy which will take effect from your renewal date as shown on your schedule. **It's important that you read these changes carefully alongside your policy wording as these will form part of your contract of insurance.**

Please keep this notice safe with your other policy documents.

Statement of Fact

General Details

Sanctions

Please note that We have updated the General Details section of the Statement of Fact document to include statements relating to sanctions. Please read and check the Statement of Fact to ensure The Business complies with these statements. Should there be any concerns or queries with the ability of The Business to comply with the updated Statement of Fact, please contact Your insurance adviser in the first instance.

Schedule

Contact Details for Claims and Help

Details of the Commercial Legal Protection helpline have been removed from your policy schedule as they were included in error. Your policy does not include Commercial Legal Protection cover.

You can continue to use our Legal and Tax helpline anytime, day or night, for advice on legal and tax matters by calling 0345 300 1899.

Minimum Security

Please note that we have updated the Minimum Security condition noted in Your Schedule. Please see Your Schedule for full details.

Policy Wording

Damage to Equipment

We have updated Exception 11 applying to 'Damage to Equipment'. This now reads: We will not provide cover for 'Portable electronic surveying equipment including but not limited to lasers, levels, theodolites, total stations and items of a similar type or purpose.'

Please refer to your Policy Wording for full details and contact your Insurance Broker if you have any queries.
