

Aviva Digital Plant & Equipment Insurance

Target Market Statement

This document has been prepared by Aviva UK General Insurance to provide an overview of our Commercial Lines Digital Plant & Equipment Insurance product. It is intended to help distributors understand the target market for this product, at new business and at point of renewal. In addition, distributors should consider whether any changes in circumstances may result in some features of the product no longer being suitable (for example distribution channel, features/covers, communication method and payment method).

Aviva Insurance Limited will overlay some eligibility and risk acceptance criteria which will be applied and shown through the quote process. This will result in some customers for whom the product is suitable not being eligible due to our current risk appetite.

Aviva Insurance Limited is the Product Manufacturer for this product and may source elements of cover from third parties. Full details are contained within the policy documentation.

Eligibility Criteria?

- The maximum limit for owned plant is up to £1,000,000.
- Hired in Plant hiring charges cannot exceed £250,000.
- The maximum limit for machinery movement is up to £1,000,000.

Who is Aviva Digital Plant & Equipment Insurance suitable for?

- Aviva's Digital Plant & Equipment Insurance product is designed for business customers to provide cover for customer's own plant and equipment on either a specified item basis or blanket cover basis and/or cover for damage to machinery for which the customer is responsible which occurs during a defined operation.

Who is this product not suitable for?

- Customers whose business does not own or use plant or equipment.
- Customers who are not involved in running a commercial business.

- This product is not suitable for consumers as defined by the FCA. A consumer is classed as any person who is acting for purposes which are outside their trade or profession.
- Customers that require short term non-renewable cover.
- Customers who cannot afford the annual or monthly premiums .

How can Aviva Digital Plant & Equipment Insurance be sold?

- Aviva's Digital Plant & Equipment Insurance product is suitable to be sold face to face, via telephone or digitally.
- This product can be sold with or without advice depending on your preference and in line with FCA regulations.

What features should you be aware of when considering this product?

- We recognise that some individuals have additional support needs, such as alternative formatted documents, when purchasing or understanding our products. Aviva Insurance Limited is committed to helping meet these needs. If additional support is required, please contact us to discuss how we can assist the customer.
- Sales journeys must identify customer eligibility and ensure that key information and choices to be made are presented to customers in a way that supports a customer through the process of understanding core cover and configuring optional elements of insurance to suit their specific demands and needs.
- Whilst there is a degree of complexity driven by the need to select appropriate optional additional covers and tailor configurable elements of insurance, each element, limit or choice is sufficiently simple for customers to understand without advice as the underwriting method frees customers to engage with their cover selection. This alongside the annual renewal process, enables familiarity in order to support their decision making.
- This product does not cover things such as:
 - Plant & Equipment
 - Mechanical or electrical breakdown in respect of the customer's own plant and equipment.

- Damage to property insured whilst being used in connection with particular specified activities such as mining, quarrying, recycling etc.

Machinery Movement

- Damage caused by the use of any tool or process applied to the property insured during maintenance, repair, alteration, modification or overhaul.
- Damage as a result of chipping of painted surfaces or scratching of any surface.
- Damage to property insured due to its own electrical or mechanical failure or explosion.
- Liquidated damages, fines or any other penalties under contract for delay or non-completion.

- Customers who pay their premiums monthly are more than likely to pay a higher premium than those who pay their premium annually, therefore consideration needs to be given regarding affordability.
- The following options are available to provide cover for damage to machinery for which the customer is responsible for during a defined operation; Dismantling, Installation (including testing or commissioning), Handling, Re-siting, Positioning, Transit (including loading & unloading).

Optional additional covers/Extensions which are available with this product:

Ways to enhance cover - These options come at an additional cost and can be added to core cover to provide more comprehensive benefits			
Product cover option	This product is designed to provide financial protection if	Who could this option be suitable for?	Who is this product not designed to support, or are there any features that you should be aware of when offering this product to your customers?
Premium Finance	This product is designed to allow customers to finance their premiums using a loan. It offers customers the option of spreading their annual payment across the term. The customer will need to pay an interest rate on the loan during this period.	Customers who want to manage their finances on a monthly basis or do not have the finances to pay the insurance premium upfront.	<ul style="list-style-type: none"> • Customers who do not want to pay any interest on their premium. • Customers who want to pay their insurance premium annually.
