

# Aviva Fleet Insurance

## Target Market Statement

*This document has been prepared by Aviva UK General Insurance to provide an overview of our Commercial Lines Fleet Insurance product. It is intended to help distributors understand the target market for this product, at new business and at point of renewal. In addition, distributors should consider whether any changes in circumstances may result in some features of the product no longer being suitable (for example distribution channel, features/covers, communication method and payment method).*

*Aviva Insurance Limited will overlay some eligibility and risk acceptance criteria which will be applied and shown through the quote process. This will result in some customers for whom the product is suitable not being eligible due to our current risk appetite.*

*Aviva Insurance Limited is the Product Manufacturer for this product and may source elements of cover from third parties. Full details are contained within the policy documentation.*

*This target market statement does not cover Minifleet. Please see separate target market statement for this product.*

- Vehicles can be a mixture of vehicle types including electric and alternatively fuelled vehicles.

### Who is Aviva Fleet Insurance suitable for?

- Aviva's Fleet Insurance product is designed for business customers who own or lease vehicles and need cover for third party liability as required by the Road Traffic Act, and who wish to protect their vehicles from accidental damage, fire and theft.
- Business customers who use their vehicle for their business purposes.

### Who is this product not suitable for?

- Businesses that do not own or lease vehicles for business purposes or that do not meet the vehicle criteria as stated.
- Customers who are not involved in running a commercial business.
- This product is not suitable for consumers as defined by the FCA. A consumer is classed as any person who is acting for purposes which are outside their trade or profession.
- Customers who require short term non-renewable cover.
- Customers who cannot afford the annual or monthly premiums.

### How can Aviva Fleet Insurance be sold?

- Aviva's Fleet product is suitable to be sold face to face or via telephone.
- This product can be sold with or without advice depending on your preference and in line with FCA regulations.

### What features should you be aware of when considering this product?

- Cover for Legal Costs the customer may incur associated with an accident covered under the product is included.
- Aviva Fleet Insurance can be underwritten on different bases:
  - specified vehicle where any change to the vehicles will need to be agreed on a case-by-case basis.
  - unspecified vehicle where changes must be made on an agreed declaration basis.The basis used will also determine how vehicle information is shared with the Motor Insurance Database.
- The product will protect permitted drivers, and comprises Comprehensive, Third-Party Fire and Theft or Third-Party cover only as selected by the customer.
- The product covers use of the customers vehicles for the purposes of their business or trade and typically social domestic and pleasure.

- We recognise that some individuals have additional support needs, such as alternative formatted documents, when purchasing or understanding our products. Aviva Insurance Limited is committed to helping meet these needs. If additional support is required, please contact us to discuss how we can assist the customer.
- Sales journeys must identify customer eligibility and ensure that key information and choices to be made are presented to customers in a way that supports a customer through the process of understanding core cover and configuring optional elements of insurance to suit their specific demands and needs.
- Whilst there is a degree of complexity driven by the need to select appropriate optional additional covers and tailor configurable elements of insurance, each element, limit or choice is sufficiently simple for customers to understand without advice as the

underwriting method frees customers to engage with their over selection. This alongside the annual renewal process, enables familiarity in order to support their decision making.

- Customers who pay their premiums monthly are more than likely to pay a higher premium than those who pay their premium annually, therefore consideration needs to be given regarding affordability.
- This product does not cover things such as:
  - Pre-existing damage or claims because something's faulty or built badly to start with.
  - Damage that's happened slowly over time.
  - Cyber and Data losses.
