<sup>1</sup> This document is based on the Product Value – Information Exchange Template, version 8 November 2021 (LMA9197), developed by the following trade associations for use by all market participants to meet the requirements of the Financial Conduct Authority's product governance rules relating to information exchange: the British Insurance Brokers' Association (BIBA), the London and International Insurance Brokers' Association (LIIBA), the Lloyd's Market Association (LMA), the International Underwriting Association (IUA), the Managing General Agent's Association (MGAA) and the Association of British Insurers (ABI).

As part of the full product review process, Aviva has also considered the add-ons/optional covers associated with this product. These include:

- Premium Finance

The product is typically sold on the open market through brokers in which covers can be chosen depending on the insurance protection needed. The pricing structure for the product is fair. The product is individually priced based on the covers selected by the customer. Where multiple covers are chosen, all covers are packaged to create a total premium.

The assessment of fair value included review of the following management information as well as other insight:

- Average Premium
- Latest Policies in Force
- Total Gross Written Premium
- Average Commission
- Highest Commission
- Renewal Retention Volume and Value
- Total Claims Registered
- Claims Ratio
- Claims Acceptance Rate
- Claims Frequency
- Average Overall Claims Lifecycle
- Average Customer Settlement Lifecycle
- Total Claims Pay-out
- Average Claims Pay-out
- Regulated Complaints by Outcome
- Number of Claims Complaints
- % of Claims Complaints
- Regulated Complaints Upheld and Rejected
- Total Claims Dissatisfaction (as a % of Claims Made)
- Regulated Claims Complaints (as a % of Claims Made)
- Total Sales or Service Dissatisfaction per 1,000 PIF
- Number of Regulated Sales or Service Complaints per 1,000 PIF
- Volume of Regulated Complaints Referred to FOS
- % of Regulated Complaints Upheld by FOS
- Renewals Invited 28 days before Renewal
- Mid-Term Adjustments Outstanding within 5 days of Receipt
- % of policies cancelled outside of cooling off period (Mid Term Cancellation)

Following the review, we have concluded that the performance of the management information is within agreed tolerance levels. Additionally, no material issues or actions have been raised through the review process.

#### Target market

Aviva have developed 'Target Market Statements' to provide you with information about the intended target market, who our products are designed for, who they are not intended to support and how we expect the product can be offered to customers.

You can find our Target Market Statements on our Aviva Broker site, they are held here for your reference, kept up to date when the product is changed and reviewed on an annual basis. For commercial lines they can be found [here](#), for personal lines they can be found [here](#).

Please inform us where you identify you have consistently distributed our product to customers outside of the intended target market.

#### Types of customer for whom the product would be unsuitable

As above, this information is provided in Aviva's separate Target Market Statement information.

#### Any notable exclusions or circumstances where the product will not respond

As above, this information is provided in Aviva's separate Target Market Statement information and supporting

#### Other information which may be relevant to distributors

Please note we do not require Distributors to provide additional information on remuneration or services provided. Aviva will contact brokers separately if data is required that we do not hold.

The product adheres to the UK General Insurance Policy for the Fair Treatment of Customers in Vulnerable Circumstances and within our review we have considered needs, characteristics and objectives of customers which includes characteristics of vulnerability.

This assessment of fair value has also included a review of other key providers metrics published within the FCA Value Measures

The following is excluded from the review and as a Distributor you must consider:

- any additional fees that you charge a customer/client and the effect on the value of the product.
- any ancillary products sold alongside the product which may affect the product's value or duplicate cover provided with our product.

Please contact your usual Aviva representative as a matter of urgency if you have any areas of concern within your review around particular cohorts of customers (e.g. customers with characteristics of vulnerability).

Please contact your usual Aviva representative if you have any queries or concerns about the Aviva underwritten product.
