Carrier Information
<i>The fields below should be completed by the carrier. The information provided should be sufficient for distributors in the chain to understand the value of the product, the intended target market and those to whom the product should not be marketed. Other information should be included (if relevant) to advise distributors of how their known or expected actions might affect the value of the product.</i>
Product information
<p>Aviva's Product Approval Process can be found <a href="#">here</a>. Further information for our distributors about Aviva's Product Oversight and Governance (POG) arrangements can be found <a href="#">here</a>.</p> <p>In accordance with the FCA PROD Product Intervention and Product Governance Sourcebook PROD 4 Product governance rules a product review and fair value assessment has been completed for the Marine product.</p> <p>The product has been subject to Aviva's full product review process and signed off by our authorised approvers as representing fair value to customers and may continue to be marketed and distributed. Our pricing structure provides value for customers in that the main rating factor (expected claims cost) has a linkage to the usability of the product. All other rating factors to calculate the technical premium are necessary for Aviva to provide a sustainable product for the customer.</p> <p>Within the Marine product line, we tend to see larger claims severity with less claims frequency. However, we are confident based on the management information used, there is evidence that our product is clearly usable by customers.</p> <p>The assessment of fair value included review of the following management information as well as other insight:</p> <ul style="list-style-type: none"> <li>- Claims Acceptance Rate</li> <li>- Claims Frequency</li> <li>- Average Claims Pay-out</li> <li>- Average Premium</li> <li>- Claims Ratio</li> </ul>

#### Target market

Aviva have developed 'Target Market Statements' to provide you with information about the intended target market, who our products are designed for, who they are not intended to support and how we expect the product can be offered to customers.

You can find our Target Market Statements on our Aviva Broker site. They are held here for your reference, kept up to date when the product is changed and reviewed on an annual basis. For commercial lines they can be found [here](#), for personal lines they can be found [here](#).

Please inform us where you identify you have consistently distributed our product to customers outside of the intended target market.

#### Types of customer for whom the product would be unsuitable

As above, this information is provided in Aviva's separate Target Market Statement information.

#### Any notable exclusions or circumstances where the product will not respond

As above, this information is provided in Aviva's separate Target Market Statement information and supporting policy summaries.

#### Other information which may be relevant to distributors

Please note we do not require Distributors to provide additional information on remuneration or services provided. Aviva will contact brokers separately if data is required that we do not hold.

The following is excluded from the review and as a Distributor you must consider:

- any additional fees that you charge a customer/client and the effect on the value of the product.
- any ancillary products sold alongside the product which may affect the product's value or duplicate cover provided with our product.

Please contact your usual Aviva representative if you have any queries or concerns about the Aviva underwritten product.
