Breakdown on a motorway in Europe

If the **vehicle breaks down** or is involved in a **road traffic accident** on a motorway in **Europe**, the **RAC** recommend the use of the roadside emergency telephones. This will connect to the police or authorised motorway services who will send a breakdown recovery vehicle. If they will not send a breakdown recovery vehicle, then contact the **RAC**.

Motorways in France are privately managed, so in the event of a **breakdown** or **road traffic accident** on a French motorway or motorway service area, it is mandatory to use the roadside emergency telephones. The **RAC** cannot send out assistance.

In the event of recovery by the police or authorised motorway services, labour and towing charges may be payable on the spot and an authorised tariff is normally applied. The **RAC** will cover these charges as long as the **vehicle** is towed to the recovery company's depot. If the **vehicle** is towed from a motorway, contact the **RAC** as soon as possible and, if the **vehicle** has not been repaired, the **RAC** will arrange for ongoing cover under **Breakdown and European Motoring Assistance**.

Your terms and conditions

Period of insurance

Breakdown and European Motoring Assistance provides cover for the **period of insurance** as stated in **the schedule**.

Hire car terms

Certain sections of this **policy** include the supply of a hire car. Where a hire car is available as a covered benefit, the following terms apply:

What is covered

In the **domestic territory** up to 3 consecutive days or until **your vehicle** has been fixed if sooner.

In **Europe** up to 14 consecutive days or until **your vehicle** has been fixed if sooner.

1. In the **domestic territory**, the **RAC** will try to find a hire car close in size to the **vehicle**, where the **vehicle** is a car, or a replacement van where the **vehicle** is a van, but cannot guarantee this and may offer more than one hire car;
2. In **Europe**, the **RAC** will try to find a hire car close in size to the **vehicle**, but cannot guarantee this and may offer more than one hire car;
3. If **you** or **your driver** are not eligible for a hire car arranged by the **RAC** for any reason, such as **you** do not meet the hire car provider's terms (e.g. **you** or **your driver** have points on **your** licence), and **you** choose to hire a car yourself, let the **RAC** know before **you** hire a car. Provided the **RAC** have agreed the cost, they will reimburse **you** up to £35 per day for up to 3 days for **claims** in the **domestic territory** and up to £125 per day for up to 14 days and up to a total of £1,500 for **claims** in **Europe**;
4. Where the **RAC** arrange a hire car they will pay the insurance and collision damage waiver. This covers the cost of damage but **you** would still need to pay the excess. If **you** or **your driver** leave the hire car at a different location to the one arranged by the **RAC**, **you** will need to pay the hire car company any additional costs.

What is not covered

1. The **RAC** will not provide any specific car type, model or accessories, including tow bars, or motor homes, motorcycles or vans. The **RAC** will not provide breakdown cover for the hire car;
2. It may be necessary to change vehicles when crossing a border, outside of the **domestic territory**, from one country to another, unless agreed with the **RAC** and permitted by the hire car provider; and
3. Any cost of:
 - a. delivery and collection of the hire car and any fuel used;
 - b. fuel while using the hire car;
 - c. a trailer to transport **your** motorcycle; or
 - d. any insurance excess and additional costs.

Additional services provided by the RAC

If the **driver** requires additional services that are not covered under this **Breakdown and European Motoring Assistance**, the **RAC** may be able to arrange appropriate additional services at **your** or **your driver's** request for an additional cost. For example to:

1. Purchase any parts necessary to complete a repair of the **vehicle**;
2. Receive specialist services to complete a repair of **your vehicle**;
3. Provide any other services that may be available for an additional cost.

The charge for any additional service provided or arranged by the **RAC** will be agreed with **you** or the **driver** when the service is requested and before any costs are incurred.

If any person requests a service that is not covered by Sections A to C, **you** will become liable for any costs relating to the service provided. To limit the risk of **you** having any unexpected costs, the **RAC** will ask for proof of identity of the person in question and, where possible, the **RAC** will charge the **driver** the costs of the service in advance.

YOUR COVER

SECTION A. Roadside and Recovery

Breakdown and European Motoring Assistance includes cover for Roadside, At Home and Recovery subject to the terms and conditions below.

What is covered

If **your vehicle** has **broken down** in the **domestic territory** during the **period of insurance**, the **RAC** will provide an **RAC patrol** or an **RAC contractor** to either:

1. Repair the **vehicle** at the roadside; or
2. If the **RAC** are unable to permanently repair the **vehicle** at the roadside (within a reasonable time), the **RAC** will decide, based upon the technical expertise of the **RAC** in **breakdown** situations, either to provide a temporary repair to the **broken down vehicle** at the roadside or transport the **broken down vehicle** (and any **caravan** or **trailer** attached to it) to a destination chosen by **you** or the **driver**. The **RAC** will only transport the **caravan** or **trailer** if the **vehicle** has **broken down**.

If the **RAC** transport the **broken down vehicle** (and any **caravan** or **trailer** attached to it) to a destination of **you** or the **driver's** choice, the **RAC** will either:

1. Provide transport for the **driver** and **passengers**, of the **broken down vehicle** to that chosen destination. If more than five people require transportation, the **RAC** may need to provide transport in separate vehicles; or
2. If the **driver** chooses for the **RAC** to transport the **vehicle** to a garage, the **RAC** will reimburse the **driver's** taxi fare for a taxi journey to a destination up to 20 miles from the garage for the **driver** and **passengers** of the **broken down vehicle** as long as this is agreed with the **RAC** in advance. In order to **claim** a reimbursement of the taxi fare, **you** must send the receipt for the taxi journey to the **RAC** at the breakdown customer care address shown above.

What is not covered

1. Recovery that is not arranged with the **RAC patrol** or the **RAC contractor** when they are dealing with the **breakdown**. Transportation cannot be requested after the **RAC patrol** or the **RAC contractor** has left the **vehicle**;
2. Recovery to more than one destination including a second recovery where the original recovery destination could not accept the **vehicle** due to their opening hours or other restrictions;
3. The cost of any parts (including batteries) required by the **RAC** to repair the **vehicle**. If the **RAC patrol** or **RAC contractor** has the required parts **you** or the **driver** can purchase the relevant parts from the **RAC** for an additional charge. The parts must be paid for in full at the time of the **breakdown** and before the repair commences. The **RAC** will not fit any parts (including batteries) purchased from any third party. This is to ensure that parts are fitted from reputable sources in order to avoid further **call outs** under this **Breakdown and European Motoring Assistance**;
4. Where a recovery is required due to a **breakdown** as a result of a problem with the tyre of the **vehicle** the **RAC** will not provide recovery over 10 miles where no serviceable spare tyre is carried by the **vehicle** or no suitable alternative (as recommended by the manufacturer) is available. The **RAC** may be able to arrange the recovery of the **vehicle** to another location for an additional charge. This additional charge will be not less than £75 plus VAT;
5. Any **vehicle** that is already at a garage or other place of repair.
6. Any **breakdown** resulting from a fault where the **RAC** have previously provided **breakdown** cover for that fault and:

 - b. the **RAC** can demonstrate that the recovery service is being used by **you** and/or the **driver** to avoid the cost of repairing the **vehicle**; or
 - c. the **RAC** advised **you** or any **driver** that they had only provided a temporary repair to the fault and further repairs were required and the subsequent **breakdown** resulted, at least, in full or in part, from a failure to carry out these other repairs.

SECTION B. Onward Travel

Breakdown and European Motoring Assistance includes cover for Onward Travel as set out in Section B.

What is covered

Onward Travel applies if a **vehicle** has **broken down** in the **domestic territory** during the **period of insurance** and following an **RAC patrol** or an **RAC contractor** attending the **breakdown**, the **RAC** are unable to repair the **vehicle** in accordance with the cover under Section A. The **RAC** will provide the **driver** with one of the following benefits:

1. Replacement car hire; or
2. Alternative transport costs; or
3. Hotel accommodation.

In order for **you** to claim reimbursement of payments made by **you** or a **driver** under Section B **you** or the **driver** must have proof that **you** or the **driver** have made such payment before the **RAC** reimburse **you** or the **driver**, for example a receipt or invoice relating to the payment. **You** must send such proof to the **RAC** at the breakdown customer care address shown above. All monetary values are inclusive of VAT.

Replacement car hire

What is covered

Please see Hire Car terms above.

Hire Cars must be arranged with the **RAC** within 24 hours of the time of **breakdown**.

Alternative transport

What is covered

Hotel accommodation

What is covered

You may decide that waiting for the **vehicle** to be fixed is best for **you** or **your driver**. The **RAC** will arrange one night's bed and breakfast accommodation, up to a value of £150 per person or £500 for the whole party, whichever is less.

Assistance in a medical emergency

What is covered

The **RAC** will also help if **your driver** or one of **your passengers** suddenly or unexpectedly falls ill and needs medical help before the end of **your** journey. The **RAC** will help **you**:

1. book one night's bed and breakfast accommodation for **you** and **your passengers** if the hospital is more than 20 miles from home. The **RAC** will reimburse **you** up to £150 per person or £500 for the whole party; and
2. arrange to get the patient home or to a local hospital as soon as they are fit to travel.

What is not covered

The **RAC** will not assist **you** where **your driver** or one of **your passengers** is taken ill during a journey to or from a doctor's surgery or hospital, including planned doctor or hospital appointments or emergencies.

SECTION C. European Motoring Assistance

Breakdown and European Motoring Assistance includes cover for European Motoring Assistance as set out in this Section C.

Disruption in country

Our service in certain countries may become disrupted or unavailable due to current conditions in that country. For example strike action may delay or prevent the **RAC** service under this Section C. If this is the case, the **RAC** will not be liable for any losses that the **driver** may suffer as a result of the disruption or unavailability of the **RAC's** services. To obtain current information on conditions in the countries the **driver** is travelling to please refer to the Foreign and Commonwealth office website at:

<https://www.gov.uk/government/organisations/foreign-commonwealth-office>
or email: TravelAdvicePublicEnquiries@fco.gov.uk

Limits of cover

The cover under Section C is subject to an aggregate overall limit of £2,500 per **claim**, apart from a **claim** under Section C3 where **your vehicle** requires a recovery to a single destination within the **domestic territory** where the **RAC** will cover a **claim** to an aggregate overall limit of £5,000 if **your vehicle** exceeds 3.5 tonnes Gross Vehicle Weight but remains subject to the stated limits of cover in respect of each type of cover.

This Section C provides cover for **journeys** during the term of **your** policy, but each **journey** is limited to a maximum of 90 days and each **journey** must fall within the **period of insurance**. The **RAC** will not provide cover for a **journey** if the **vehicle** will not return to the **domestic territory** within the **period of insurance**. If the end of any **journey** will be outside the **period of insurance**, **you** will need to renew the cover before the **driver** commences the **journey**. If however the **vehicle** is due to return to the **domestic territory** within the **period of insurance** but it is delayed due to a **road traffic accident** or **breakdown** that is covered by this Section C, the **RAC** will provide cover for that **journey**.

European Motoring Assistance

In the event that the **vehicle** has **broken down** or has been involved in a **road traffic accident**, the **RAC patrol, RAC contractor or service provider** that attends the **breakdown or road traffic accident** will carry out a preliminary fault diagnosis to confirm whether the **vehicle** can be repaired within 24 hours and, if not, whether:

1. it can be repaired by the date that the **driver** originally planned to return to the **domestic territory**;
2. it requires repatriation to the **domestic territory**; or
3. where the total cost required to repair the **vehicle**, including any taxes, is greater than the UK **market value** of the **vehicle**. If the **vehicle** has **broken down** or had a **road traffic accident**, the total cost required to repair the **vehicle** will be based on the estimate for repair provided by the **service provider** in the applicable country.

You or the **driver's** request for **breakdown or road traffic accident** assistance will act as authorisation for the **RAC** to arrange the fault diagnosis and determine the best course of action based upon the **RAC's** technical expertise in these situations.

The **RAC** will then discuss the preliminary fault diagnosis with **you** or the **driver** and determine which other benefits may be available under Section C as a result of the **claim**. For example, if the repairs cannot be completed within 24 hours, the **RAC** will discuss whether **you** or the **driver** would like the **RAC** to arrange transport to continue the **journey** to the original destination or arrange accommodation while the **driver** waits for the repair to be completed. These alternatives will be discussed with **you** or the **driver** at the outset so that the best course of action can be agreed. The **RAC** will have final say on the best course of action if this cannot be agreed.

If there is a change to the preliminary fault diagnosis at any time, the **RAC** will discuss this with **you** or the **driver** and determine if the benefits provided under this Section C should change as a result.

If the **vehicle** cannot be repaired by the date that the **driver** originally planned to return to the **domestic territory**, and it is agreed to repatriate the **vehicle**, the **driver** and the **party**, all other cover under this Section C will cease. This will also apply where the preliminary fault diagnosis changes and it is agreed to repatriate the **vehicle** and the **driver** and the **party**.

The **RAC** will pay the **RAC patrol, RAC contractor or service provider's** fees to carry out the preliminary fault diagnosis of the **vehicle**.

Important

Whilst the **RAC** will assist with the arrangements and progress of any workshop repairs, if requested by **you** or the **driver**, these repairs are not covered under this policy. Any information regarding the cost of repairs provided by the **RAC** is of an advisory nature only. The repairer will be working for **you** and the **driver** and the **RAC** have no legal responsibility to **you** or the **driver** for their efficiency or quality of the repairs.

SECTION C1: Roadside assistance in Europe

What is covered

If the **vehicle breaks down** or is involved in a **road traffic accident** in **Europe** during a **journey**, the **RAC** will send help to either:

1. Repair the **vehicle** at the roadside. This could be a permanent or temporary repair; or
2. If the **RAC** are unable to repair the **vehicle** at the roadside, they will:
 - a. recover the **vehicle** and **passengers** to a local garage for fault diagnosis on the **vehicle**;
 - b. pay for the initial fault diagnosis to find the next course of action;
 - c. contribute towards the garage labour charges up to £175;
 - d. help **you** purchase replacement parts if they cannot be found locally, and pay for them to be delivered; and
 - e. relay any urgent messages from **you** or the **driver** to a contact of **your** choice.

What is not Covered

1. Repair costs, including garage labour charges:
 - a. if the **vehicle** was in a **road traffic accident**; or
 - b. if the **vehicle** repair costs will be more than its **market value**.
2. The costs of any parts.

Note: By claiming under this Section C **you** are authorising the **RAC** and the garage to undertake fault diagnosis.

Whilst the **RAC** do not consider the following as a **breakdown** they will assist with the following, but **you** are not entitled to benefits under any other section.

- a. Misfuelling. If **you** or the **driver** put the wrong fuel in the **vehicle** the **RAC** will arrange to recover the **vehicle** and **passengers** to a local garage.
- b. Keys. If **your** keys are locked in the **vehicle**, the **RAC** will attend and get them out if possible, but are not liable if damage is caused to the **vehicle** in doing so.
- c. Tyres. If **you** or the **driver** need a replacement tyre, although this is not covered the **RAC** will attend and change the tyre if **you** have a spare or recover the **vehicle** and **passengers** to a local garage if the **vehicle** is manufactured without a spare.

SECTION C2: Onward travel in Europe

What is Covered

If the **vehicle** has a **breakdown** or a **road traffic accident** during a journey in **Europe** and the **RAC** establish that the repairs cannot be completed within 6 hours, the **RAC** will help **you** or **your driver** by making arrangements for the **passengers** to continue the **journey**. **You** or **your driver** can choose either:

1. Alternative transport; or
2. Additional accommodation expenses.

Alternative transport

What is Covered

1. A hire car as a replacement until the **vehicle** has been repaired, up to £125 per day for up to 14 days and up to a maximum of £1,500 in total, or
2. A standard class ticket up to £125 per person and a total of £500 for all **passengers** for travel by air, rail, taxi or public transport.

Additional accommodation expenses

What is Covered

The **RAC** will arrange and pay for additional accommodation expenses if **you** or **your driver** are unable to use pre-arranged accommodation up to £30 per person per day up to a maximum of £1,500 for all **passengers**.

What is not covered

Accommodation where **you** or **your driver** have suitable alternative accommodation **they** can use. Cover under this section will stop once:

1. the **vehicle** has been repaired to a roadworthy condition; or
2. the decision to bring the **vehicle home** is made by the **RAC** or **Aviva**; or
3. the **RAC** establish that the repair costs to the **vehicle** exceed its **market value**.
