

# Ultra Motor Important Information

## Contract of insurance

The following elements form the contract of insurance between you and us, please read them and keep them safe:

- your policy wording;
- information contained on your Statement of Fact document as issued by us and any additional questionnaire(s);
- your schedule;
- your Certificate of Motor Insurance;
- any endorsements on your policy, as set out in your schedule;
- any changes to your policy contained in notices issued by us at renewal;
- your important information document.

## Important Notice – Information we need to know about

When we ask you any questions or ask for information, you must take care to provide accurate and complete information. This is because in deciding to accept this policy, and in setting the terms including the premium, we have relied upon the information which you have provided to us.

## What if you give incorrect information?

### If you were careless

If we establish that you carelessly provided us with untrue or misleading information, we will have the following rights:

1. If we would not have provided you with cover, we can treat this policy as if it never existed, refuse to pay any claims and return the premium you have paid.
2. If we would have provided you with cover on different terms, we can treat this policy as if it had been entered into on different terms from those agreed.
3. We can reduce the amount we pay on any claim in the proportion that the premium you have paid bears to the premium we would have charged you, if we would have charged you more.

We will notify you in writing if any of these options apply.

It is possible that 2 and 3 may both apply.

Where either applies, we will give you notice that we will treat this policy and any future claim in accordance with 2 and/or 3, in which case you may then give us notice that you are terminating this policy.

### If you were deliberate or reckless

If we establish that you deliberately or recklessly provided us with untrue or misleading information we will have the right to:

- treat this policy as if it never existed; and
- decline all claims; and
- keep the premium.

## Fraud

If you, or anyone acting for you, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device:

1. we will not be liable to pay the claim; and
2. we may recover from you any sums paid by us to you in respect of the claim; and
3. we may by notice to you treat this policy as having been terminated with effect from the time of the fraudulent act.

If we exercise our right under 3 above:

- we shall not be liable to you in respect of a relevant event which happens after the time of the fraudulent act.
- A relevant event is whatever gives rise to our liability under this policy (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- we need not return any of the premium paid.

## **Renewing this policy**

We will write to you in advance of your renewal date with our offer to renew, or to give you plenty of time to make other arrangements if we are unable to renew your insurance. The renewal offer will include the premium and any changes in the terms and conditions for the next policy period which, unless you have advised us otherwise, will automatically proceed if you continue to pay your premium. Where we have agreed to collect this premium automatically we will continue to do so unless you tell us differently. If you do not wish to renew your insurance please let us know before the renewal date of your policy. If you wish to make any changes at renewal, please contact your adviser. At renewal, a 14 day cooling off period applies which starts from the renewal of the contract or the day on which you receive your renewal documentation, whichever is the later

## **Statutory cancellation rights**

You have a statutory right to cancel your policy within 14 days from the day of purchase or renewal of the contract or the day on which you receive the policy or renewal documentation, whichever is the later. If you wish to cancel and your cover hasn't started you will be entitled to a full refund of the premium paid. If you cancel after your cover has started we'll refund the full premium paid less a proportionate deduction for the time we've provided cover. You will not receive a refund of the premium if we have paid a claim during the cooling-off period. If you don't exercise your right to cancel, your policy will continue, and you will be required to pay the premium.

## **Ensuring you have continuous cover**

If you are thinking of cancelling or not renewing with us, make sure you can get the alternative cover you need before your policy ends.

## **Financial Difficulty**

If you are struggling to pay your premiums due to financial difficulty it's vital that you contact your insurance advisor right away. We can provide flexible payment terms for customers in financial distress and who pay by Direct Debit, as well as offering instalment facilities for customers who pay annually.

## **Use of Language**

The language of this policy and all communications relating to it will be in English.

# Data Protection – Privacy Notice

## Your Personal Information

The company (or companies) that provide your insurance cover will be the data controller(s) responsible for your Personal Information.

Aviva collects and use Personal Information about you in relation to our products and services. Personal Information means any information relating to you or another living individual who is identifiable by us. The types of Personal Information we collect and use will depend on our relationship with you and may include more general information (e.g. your name, date of birth, contact details) or more sensitive information (e.g. details of your health or criminal convictions).

Some of the Personal Information we use may be provided to us by a third party. This may include information provided by your broker, information already held about you within the Aviva group and information we obtain from publicly available records, third parties and from industry databases, including fraud prevention agencies and databases.

This notice explains the most important aspects of how we use your Personal Information for **Your vehicle damage** and **Your liability** but you can get more information by viewing our full privacy policy at <https://www.aviva.co.uk/privacypolicy> or requesting a copy by writing to us at The Data Protection Team, Aviva, PO Box 7684, Pitheavlis, Perth PH2 1JR.

For information about how other companies process your Personal Information for **Your breakdown solutions** and **Your motor legal expenses** aspects of your policy, see your policy wording.

If you are providing Personal Information about another person you should show them this notice.

## How we use your Personal Information

We use your Personal Information for a number of purposes including providing our products and services and for fraud prevention.

We also use profiling and other data analysis to understand our customers better, e.g. what kind of content or products would be of most interest, and to predict the likelihood of certain events arising, e.g. to assess insurance risk or the likelihood of fraud.

We may carry out automated decision making to decide on what terms we can provide products and services, deal with claims and carry out fraud checks. More information about this, including your right to request that certain automated decisions we make have human involvement, can be found in our full privacy policies.

Your Personal Information may be shared within our corporate group(s) and with third parties (including our suppliers, such as those that provide claims services, and regulatory and law enforcement bodies). We may transfer your Personal Information to countries outside of the UK or European Economic Area but will always ensure appropriate safeguards are in place when doing so.

## How your Personal Information is used and shared by insurers and databases

The Personal Information you provide will be used by us and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes. To examine the potential risk in relation to your (and/or a third party's) prospective policy to:
  - Consider whether to accept the relevant risk;
  - Make decisions about the provision and administration of insurance and related services for you (and members of your household);
  - Validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time including upon application for insurance, in the event of an accident or a claim, or at a time of a mid-term adjustment or renewal).
  - Confirm your (or any person included on the proposal) licence status, entitlement and relevant driving restriction information and endorsement or conviction data. Searches may be carried out prior to the date of the insurance policy, at any point throughout the duration of your insurance policy including at the mid-term adjustment and renewal stage. A search of your driving licence number with the Driver and Vehicle Licensing Agency ("DVLA") should not show a footprint against your (or another relevant person included on the proposal) driving licence
- Management Information purposes. To analyse insurance and other markets for the purposes of:
  - Portfolio assessment;
  - Risk assessment;
  - Performance reporting;
  - Management reporting.
- Anti-fraud purposes. To detect and prevent fraudulent claims and/or activities by:
  - Sharing Personal Information with other organisations and public bodies including the police;
  - Tracing debtors or beneficiaries, recovering debt, managing your accounts and/or insurance policies;

- Undertaking fraud searches. Insurers pass information to fraud prevention agencies and databases including the Claims and Underwriting Exchange and, where appropriate, the Motor Insurance Anti-Fraud and Theft Register both managed by the Motor Insurers' Bureau ("MIB"). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.
- Compliance with legal obligations and responsibilities, including:
  - **Claims management** – In the event of a claim we may need to disclose information with any other party involved in that claim, e.g. third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims and conviction history;
  - **Complaints management** – If you make a complaint about the service we have provided, we may be obliged to forward details about your complaints, including your Personal Information, to the relevant ombudsman;
  - Information about your insurance policy will be added to the Motor Insurance Database ("MID") managed by the MIB. MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA in Great Britain, the Driver and Vehicle Agency Northern Ireland, the Insurance Fraud Bureau and other bodies permitted by law. This information may be used for purposes permitted by law, which include:
    - Electronic licensing;
    - Continuous insurance enforcement;
    - Law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
    - The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Individuals who may be citizens of other countries or their appointed representatives making a claim in respect of a road traffic accident may also obtain relevant information which is held on the MID. It is vital that the MID holds your current registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police and/or a fixed penalty notice.

You can check that your current registration number details are shown on the MID at [www.askmid.com](http://www.askmid.com). For details relating to information held about you by the DVLA please visit <https://www.gov.uk/government/organisations/driver-and-vehicle-licensing-age>

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details, please contact us.

We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.
