This assessment of fair value has also included a review of other key providers metrics published within the FCA Value Measures. We have used the latest FCA benchmark data in our assessment.

The broker is the first point of contact should the customers' have reasons to be dissatisfied.

Claims, from first notification of loss, through to settlement, are handled by Aviva Insurance Limited.

Customer research is carried out on a market research basis, using a third party company.

Target market

Aviva have developed 'Target Market Statements' to provide you with information about the intended target market, who our products are designed for, who they are not intended to support and how we expect the product can be offered to customers.

You can find our Target Market Statements on our Aviva Broker site, they are held here for your reference, kept up to date when the product is changed and reviewed on an annual basis. For commercial lines they can be found [here](#), for personal lines they can be found [here](#).

Please inform us where you identify you have consistently distributed our product to customers outside of the intended target market.

Types of customer for whom the product would be unsuitable

As above, this information is provided in Aviva's separate Target Market Statement information.

Any notable exclusions or circumstances where the product will not respond

As above, this information is provided in Aviva's separate Target Market Statement information and supporting Insurance Product information Document. (IPID).

Other information which may be relevant to distributors

Please note we do not require Distributors to provide additional information on remuneration or services provided. Aviva will contact brokers separately if data is required that we do not hold.

The product adheres to the UK General Insurance Policy for the Fair Treatment of Customers in Vulnerable Circumstances and within our review we have considered needs, characteristics and objectives of customers which includes characteristics of vulnerability.

The following is excluded from the review and as a Distributor you must consider:

- any additional fees that you charge a customer/client and the effect on the value of the product.
- any ancillary products sold alongside the product which may affect the product's value or duplicate cover provided with our product.

Please contact your usual Aviva representative as a matter of urgency if you have any areas of concern within your review around particular cohorts of customers (e.g. customers with characteristics of vulnerability).

Please contact your usual Aviva representative if you have any queries or concerns about the Aviva underwritten product.
