Group member application form – full medical underwriting

Important: please read this section and then complete the application in BLOCK CAPITALS and in black ink.

As part of the process of becoming a member you need to complete this form, which will be treated in the strictest confidence. It is important that you answer all the questions on this application form fully, truthfully and accurately. This is because we'll use the answers you give to determine what your policy will cover.

Even if you've already provided information under a previous Aviva Health policy or application, you must provide it to us again on this application form. If you don't answer all the questions fully, truthfully and accurately this could affect how much we pay if you make a claim and could mean we won't pay your claim at all.

As a group member you have to complete and sign this form on behalf of all the people to be insured. If you are unsure about any of the information we ask for, you should check with the person who it relates to.

You must notify us immediately if there are any changes in the information provided in this form between now and the start date of the policy.

Your start date will be the date we receive and accept your completed application form at our head office. If you would like a start date in the future please advise in this box:

Date

We may backdate a member's start date up to a maximum of 30 days from the date we receive the application form if there have been postal errors and/or delays. This may mean that the start specified is before we receive the application, but on or after the date the application has been signed.

We will give you a copy of this application if you ask for it within three months of completing it. We recommend that you keep a record of all the information that you have given us regarding this application.

If you need to tell us more about any section of this application, please write on separate paper, indicate the number of sheets here and attach it to this form

5. Consent to obtain a medical report

In order for us to determine your underwriting terms, we may need to contact your doctor(s) for a medical report. If we do approach your doctor, we will tell you that we have done so. We won't approach your doctor as an alternative to an incomplete form.

However, before we can apply for a medical report from you/your dependant's doctor(s) we need consent to do so. A declaration for this appears on the next page. You have certain rights under the Access to Medical Reports Act 1988 or the Access to Personal Files and Medical Reports (Northern Ireland) Order 1991. You've certain rights under this Act in relation to reports requested by us which have been prepared by your doctor(s), which are summarised as follows:

- a) if you indicate (in the declaration overleaf) that you do want to see the report, we'll write to you at the same time we contact your doctor. We'll let the doctor know that you'd like to see the report; you then have 21 days to contact your doctor to make arrangements to see it. When you've seen the report your doctor might not send it to us until you've given consent to do so. If you don't contact your doctor within 21 days the report will be sent to us.
- b) if you indicate (in the declaration overleaf) that you don't wish to see the report, we will still let you know if we apply for one. If you decide that you want to see the report, before it is sent to us, you can write to your doctor within 21 days to make arrangements to see it.
- c) you can ask your doctor if they'll amend any part of the report which you consider to be incorrect or misleading. If your doctor is not in agreement, you may attach your comments.
- d) you can ask your doctor to see a copy of the report up to 6 months after we've received it. If you ask for a copy of your report your doctor may charge you a fee to cover the cost.
- e) in some circumstances your doctor may decide, in the interest of your health, or to respect the interest of other persons, that you should not see all or part of the report. Your doctor will tell you of this and you'll have the right to see any remaining part of the report. If your doctor decides that you should not see any of the report, they will not give it to us without your consent.
- f) you do not have to give us your consent (but without it we may be unable to proceed with your application).

Please note: If you make a claim we may need to obtain further medical information to be able to fully assess it. We'll only ask for the information we need to be able to assess the claim. To speed up the process, we will rely on the consent you've provided here, but we'll remind you of that at the time of the claim and your rights in relation to it. You don't have to provide permission at this stage, but if you don't, we may not be able to assess your claim.

Please read the declaration and complete the boxes below:
