

Aviva UK Health

Commission run dates – 2020

Please note - these dates refer to your Healthcare Agency only (and are subject to change).

Your agency will be set up to pay commission either weekly or monthly. A monthly commission run will take precedence if this falls in the same week as a weekly commission run.

If you have any commission queries or wish to change the frequency of your commission please contact our Agency & Commission Team on **0800 145 5668**. Calls to and from Aviva may be monitored and/or recorded.

Lines are open Monday – Friday, 9.00am to 5.00pm.
